For Sale by Owner Package

Thank you for choosing Lawyers Title Agency of Monroe to insure your transaction.

Once all the appropriate documents have been filled out by both parties, please email your documents to orders@lawyertitlemonroe.com, or bring them into one of our 3 offices. For Lambertville, please leave in the drop box as this office is open by appointment only.

Once we receive the documents, title work will take 3-5 business days to prepare. When title work is completed we will send it to the email provided, or we will contact you to have you pick it up if email is not an option.

Please be sure to send a copy of the purchase agreement to your lender, if applicable. The lender will then send us their information and we will update accordingly. When we have a clear to close from the lender, please call us to set a closing date, time, and location for the closing to take place.

If no lender is involved: once title work is returned, it will show what we will need in order to close. If nothing is needed, please contact our Monroe location to set a closing date, time, and location.

Once again we thank you for trusting LTM in helping you with your transaction. We look forward to a smooth closing for all parties involved.
